

PRIVATE CHAUFFEUR DRIVE HARLEY DAVIDSON & VINTAGE SIDECAR ADVENTURE—CAPE TOWN

For many Capetonians Victoria Road is simply the daily commute between work and home but that doesn't make it any less inspiring. Connecting the lofty seaside villas of **Camps Bay and Llandudno** and the suburban bliss of Hout Bay via **Suikerbossie**, Victoria Rd winds its way between the **Twelve Apostles** and the **Atlantic Seaboard**.

Combine this short road trip with a visit to one of Cape Town's most loved roads, **Chapman's Peak Drive** that offers drivers the chance to explore a convenient route between the city and the Southern Peninsula. The road was literally born out of blasting through the side of **Chapman's Peak and boasts 114 curves** as it winds its way above the coast. This is a must see in Cape Town, especially for a **Sundowner** over the Atlantic
