### More information

**Cape Point**, the most south-westerly tip of Africa, is a spectacular, narrow finger of land, covered in endemic fynbos and home to picturesque bays, beaches, rolling green hills and valleys.

Apart from the spectacular view, you'll be able to see the most powerful lighthouse on the South African coast, which helps guide ships safely through perilous waters that have seen to the end of many a vessel.

Chapman's Peak Drive winds its way between Noordhoek and Hout Bay and is touted as one of the most spectacular marine drives in the world.

There are viewpoints en route which are ideal for picnics and sundowners, but keep an eye out for cheeky baboons! These appointed rest areas also offer the opportunity to take photographs of the sheer cliffs and breath-taking seascapes. During whale season, you might be lucky enough see southern right whales in the ocean below.

**Constantia Valley** is the oldest wine-growing area in Southern Africa and features superb wine estates, fantastic shopping opportunities and a variety of excellent restaurants. The area is steeped in history and is home to some of the best examples of Cape Dutch architecture. The largest wine estate, Groot Constantia, is home to Van der Stel's original manor house museum and is an excellent example of this architectural style.
